WHAT IS NEHEMIAH WEEK?

Nehemiah Week is an annual global virtual Kingdom business conference for business owners and individuals looking to start their own business. It is a three in one conference featuring a Kingdom Business (Virtual) Tour, a conference, an Investors Forum, and the International Business Plan Competition.

As the finale, there is a bonus State of the Ministry event that highlights the impact that the Nehemiah Entrepreneurship Community is having around the world together with the announcement of The 2023 International Business Plan Competition Winner.

KEY FACTS YOU NEED TO KNOW
